Please comment on the strengths of this course and/or ways to improve this course.

Outdated textbook which is hard to follow.

Very straight forward. The book is a little strange, but surprisingly effective.

Describe instructor's strengths, areas for improvement, and any additional comments.

Clearly very passionate, but not always the best organized in terms of teaching/lesson structure. A little more structure (a cohesive mental script even,) could potentially help to make the communication and teaching much clearer.

Brian is truly a wonderful teacher. This class could've been a disaster, but Brian never became frustrated and always took the time to hear students out and help explain or even re-explain concepts in a way that they would understand.

Very impressed with his classroom presence. Easy to follow lectures and whiteboard notes. Great resources to study with.

Brian was great, aside from being a great person he possessed the social skills necessary to teach
